The Ontario Forage Council is a non-profit organization representing the multi-level interests of the Ontario forage industry.

Our objectives are:

- To provide comprehensive and easy to access forage information. Our website is a one-stop shop that coordinates a wealth of research and technical information for the forage industry . Visit us at www.ontarioforagecouncil.com.
- To assist in the objective development of research priorities and coordination of research projects.
- To build alliances within the forage industry.
