

7th Annual Milk Maker Forage Competition

**A GREAT OPPORTUNITY TO FURTHER SHOWCASE YOUR
FORAGE AT THE CANADIAN DAIRY XPO!**

Name: _____

Identification # _____

Example only!

For submission of **hay** samples:

Core sample twenty random bales and place in the sealed bag provided. In addition, a second bag has been provided. Please provide a 5kg sample for visual analysis and display purposes. All analysis will be completed on the initial samples; additional submissions will not be requested.

For submission of **hay silage** and **corn silage** samples:

Place 5kg of haylage, or silage in the sample bag provided, freeze and mail to the address below. (Courier of frozen samples should be arranged for early in the week to minimize rest time during transport). All analysis will be completed on the initial samples; additional submissions will not be requested.

ALL CLASSES will be given a number for lab identification.

****Please label the sample clearly with the words “Milk Maker Forage Competition” and the ID label provided. Samples submitted without the necessary identification will be disqualified.**

Mail Samples to:
